

Online Portfolio Assignment – Worth 20%

Assignment Objective:

Submission of a fully completed Online Portfolio that challenges students to apply formats and strategies, covered during class, to craft an online portfolio. The tailoring of students' professional online portfolio to your specific technology program to showcase your experience is a key component of the practical challenge of this assignment.

Guidelines:

- Students must submit **one Online Portfolio by providing the link in Week 13** (on your regularly scheduled class day) to the **D2L submission window**.
- Students can choose from any free online site such as Google Sites, Wix, or any other online site you prefer, to create the Digital Portfolio.
- The Online Portfolio will include: Summary or Bio (Picture Optional); Resume; Work Samples and/or link to Git Hub or Website; Certificates, Diplomas; any Academic Awards (if you have); Official and/or Unofficial Transcripts; Copies of Letters of Recommendation (if you have).
- Ensure the link to your Digital Portfolio is correct and gives access to the Professor to view your site. Students **will not** be contacted to obtain permissions/access.
- **Assignment due on D2L before 11:59pm in Week 13 on your regularly scheduled day.** Timely and accurate submission should be considered part of the assignment.
- This is an individual assignment and therefore submissions that do not reflect unique independent work will not be accepted.

Note: LinkedIn page submissions **WILL NOT** be accepted. LinkedIn is a profile on a professional networking site and **NOT a Portfolio**.

Grading:

This assignment will be graded according to the criteria provided (see attached rubric) and the instructions provided above.

This assignment is worth 20% Online Portfolio

***Late assignments will be accepted at a penalty of -20% per day, up to a maximum of -80%, after which time assignment will no longer be accepted. Late submissions must be made on D2L. The late submission deadline timeline will follow the usual assignment deadline, due each evening at 11:59pm.

RUBRIC - Online Portfolio Assignment - Worth 20%
