

# Recorded Interview Questions Assignment

## Worth 10%

### Assignment Objective:

This assignment is designed to assess students' communication skills, knowledge of the organization, and their ability to articulate relevant experiences. The objective is to evaluate how well students convey their understanding of the organization, express their interest in the co-op position, and describe a significant project from their postgraduate program this is a pre-screening interview used for the company to decide if they want to move forward with a second interview. The recorded interview questions /responses aim to provide valuable insights into student's preparedness, clarity, and conciseness in responding to key topics related to the co-op job posting and their academic experiences.

### Guidelines:

- Students must submit **the video link and the program specific job posting** for which the interview question responses have been tailored.
- Students must answer the two questions provided and speak for a maximum of 2 mins for each question 1(a&b) total of 2 minutes and 2 (a&b) a total of 2 minutes. A total of 4 mins to answer both questions.
- The complete job posting must be secured (downloaded or as a legible captured image) and submitted as either a **PDF** document, Word Document or a **JPG** image. URLs/Links for job postings will not be accepted.
- Zip/Compressed files will not be accepted.
- Ensure all documents are clear and legible. Ensure nothing is cut-off or missing. Students **will not** be contacted to obtain missing or illegible items or links that won't open.
- **Assignment due on D2L before 11:59pm on your class day in Week 5.** Timely and accurate submission should be considered part of the assignment.
- This is an individual assignment and therefore submissions that do not reflect unique independent work will not be accepted.

### Grading:

Each question should be answered within the designated two-minute time frame per question 1(a&b) and 2 (a&b) a total of 4 minutes. The grading will focus on both content and presentation, emphasizing the skills crucial for success in a Recorded Interview this is typically a pre-screen interview for the company to decide if they will call you for a second interview where you will be interacting directly with them.
